

## **2. Major Mackenzie Drive Median Construction**

### **Purpose:**

The construction of the landscaped median on Major Mackenzie Drive between Melville Avenue and Avro Road/McNaughton Road will serve to enhance and celebrate a major gateway into the Village of Maple. The median will form an integral component of the streetscape master plan envisioned for the area by the *Village of Maple Streetscape – A Master Landscape Plan and Design Study*, April 2003 and the *Maple Streetscape & Urban Design Guidelines*, 1996; and will serve to support a continued renewal of the village.

### **Timeframe**

Under construction with completion scheduled for late 2006.
