

2010 COMMUNITIES IN BLOOM PARTNERSHIP EVENTS

The City of Vaughan has been recognized internationally for community engagement and participation. This accomplishment was partly due to the City of Vaughan Partnership Program.

This program encourages the community to beautify their neighbourhood through clean up and planting events. The Parks Operations and Forestry Department would like to invite you to join us in participating in these community events that help build Civic Pride.

For more information or to inquire on how to participate, please call Parks Operations and Forestry Department at 905-832-8577.
